In addition to the board decision, mailed March 20th, 2007, claims 27-39 recite "A computer program product in a data processing system..." (emphasis added), that is to say that such a "product" is part of the system which are directed to and has been treated as a recordable-type media as described in the originally filed specification at page 17, lines 17-19, and thus all pending claims 1-39 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
